November 30, 2005

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**COUNTY IMPROVEMENT NO. 2659-M  
(SHRODE AVENUE SEWER PROJECT)  
1911 ACT LIMITED OBLIGATION IMPROVEMENT BONDS  
(FIFTH DISTRICT – 3 VOTES)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

Adopt an Amended and Restated Resolution authorizing the issuance and sale of County Improvement No. 2659-M (Shrode Avenue Sewer Project) 1911 Act Limited Obligation Improvement Bonds in an amount not to exceed \$927,554 and approving certain related matters.

**PURPOSE OF RECOMMENDED ACTION**

Your Board has previously approved proceedings for County Improvement (CI) No. 2659-M for the construction of sewers in Shrode Avenue and other surrounding streets in an unincorporated area near the City of Duarte. The Department of Public Works mailed Proposition 218 ballots and a public hearing was held November 22, 2005 to hear protests and consider confirming the assessments and ordering the improvements made. The recommended action will authorize the issuance and sale of one or more series of 1911 Act Limited Obligation County Improvement Bonds for all assessments that remain unpaid at the end of a 30-day cash payment period.

**JUSTIFICATION**

On September 27, 2005, your Board approved the second amended and restated resolution of intention for the construction of sewers in an unincorporated area near the City of Duarte and set the time for a public hearing on the project. Following the conclusion of the hearing, the tabulation of ballots, the adoption of an amended and restated resolution confirming the assessments and ordering the improvements made, it

is necessary for your Board to authorize the issuance and sale of one or more series of 1911 Act Limited Obligation County Improvement Bonds. Bonds will be issued for all assessments remaining unpaid following a 30-day cash payment period. The bond proceeds, together with any cash payments received, will provide the funds required to construct the project.

#### **Implementation of Strategic Plan Goals**

This action supports the County's Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments. It also supports the Strategic Plan Goal of Fiscal Responsibility by utilizing public-private partnerships for the investment in and development of public infrastructure in the County.

#### **FISCAL IMPACT**

There will be no fiscal impact to the County.

#### **FINANCING**

CI 2659-M is comprised of 64 residential parcels located in an unincorporated County area adjacent to the City of Duarte. The cost of constructing the project will be paid from two funding sources based on assessments within the District. The first funding source will be cash payments received during a 30-day cash payment period to pay individual assessments. The second funding source is the proceeds from the bonds.

Each owner of a parcel for which an assessment has been levied will have the choice of paying their assessment in one of three ways. The first is to pay the entire assessment in cash during the 30-day cash payment period that will precede the sale of any bonds. This will relieve the property owner of any further assessment obligation. A second option is for the property owner to pay a portion of their assessment, with 1911 Act bonds issued for the unpaid portion of their assessment. The third option is for the property owner to pay nothing during the cash payment period, after which 1911 Act bonds will be issued for the entire amount of their assessment. For all parcels for which bonds are issued, annual assessment installments will be levied over 20 years to pay the debt service on the bonds and for certain administrative expenses.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

On September 27, 2005, in accordance with the provisions of the Municipal Improvement Act of 1913 (Division 12 of the California Streets and Highways Code), a Second Amended and Restated Resolution of Intention for the Construction of Sanitary Sewers was adopted by your Board. It was further determined that District properties would be assessed, based on benefit, to pay the costs and expenses of the improvements. In

compliance with Articles XIII C and XIII D of the California Constitution, assessment ballots (Proposition 218 ballots) were mailed to all property owners. On November 22, 2005, a public hearing was held regarding this project and found that the public convenience and necessity requires that the work be done; and, following the public hearing and the tabulation of ballots, that the assessments were confirmed and the improvements ordered.

Upon recordation of the notice of assessments and diagram, a 30-day cash payment period will begin, during which all property owners will have the opportunity to pay all or a portion of their assessment. At the end of the 30-day cash payment period, 1911 Act Bonds will be issued in accordance with the provisions of the Improvement Bond Act of 1911 (Division 10 of the California Streets and Highways Code) for all unpaid assessments. Debt service on the bonds will be repaid over 20 years through annual assessment installments.

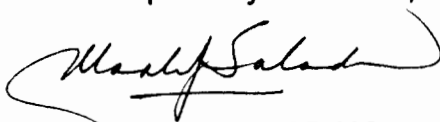

**IMPACT ON CURRENT SERVICES (PROJECTS)**

None.

**CONCLUSION**

Upon adoption, the Department will need two (2) original executed copies of the Resolution.

Respectfully submitted,

MARK J. SALADINO  
Treasurer and Tax Collector

**AUTHORIZING LAW:** The Bonds will be issued under and pursuant to the resolution of the County, the Municipal Improvement Act of 1913, as amended (commencing with Section 10000 of the California Streets and Highways Code) (the "Assessment Act"), and the Improvement Bond Act of 1911, as amended (commencing with Section 5000 of the California Streets and Highways Code) (the "Bond Act").

**PURPOSE OF THE ISSUE:** The proceeds from the sale of the Bonds will be used to finance the design and construction of a sanitary sewers and related work (the "Improvements") within the unincorporated area of Los Angeles County in the vicinity of the Cities of Duarte and Irwindale designated as County Improvement No. 2659-M (the "Assessment District"). Construction of the Improvement, the levy and collection of the assessments, and the legal proceedings of the County relative thereto are undertaken pursuant to the Assessment Act.

**SECURITY:** The Bonds are secured by unpaid assessments which have been levied against certain real properties within the Assessment District (the "Assessments") in accordance with proceedings conducted by the County under the Assessment Act. Each Bond is secured by an unpaid assessment upon a lot or parcel of land, which unpaid assessment constitutes a lien upon the property affected thereby. Payment of principal and interest on such outstanding Assessments, together with interest and penalties, if any, on delinquent assessment payments will be deposited in a fund held by the County. See the preliminary Official Statement relating to the Bonds.

**GENERAL TERMS OF THE BONDS:** The Bonds will be serial Bonds issued in the aggregate principal amount of \$[927,554]\* and will be dated the date of issuance. Each Bond will bear interest at the rate of not to exceed nine percent (9%) per annum and shall be issued under the provisions of the Bond Act to represent each assessment of one hundred fifty dollars (\$150) or more remaining unpaid for thirty days from the recordation date of the assessment as set forth on Schedule A hereto. The Bonds mature not later than January 2, 2021. Interest on the Bonds will be paid on each January 2 and July 2, commencing on July 2, 2006, by check or warrant to the registered owners of the Bonds as of the applicable Record Date. Payments on the principal of unpaid assessments and interest shall be made by property owners to the Treasurer and the same shall be disbursed by him to Bondholders, all as provided in the Bond Act. The redemption provision of the Bonds shall provide a premium of five percent (5%) of said unmatured principal. The principal of each Bond shall be payable in 20 equal installments on January 2 in each year commencing January 2, 2007.

The interest rate shall be the same for all Bonds and shall be in multiples of one hundredth (1/100) of one percent (1%). The principal and interest on the Bonds shall be payable in lawful money of the United States at the Treasurer of the County of Los Angeles, State of California.

---

\* Preliminary, subject to change.

**ADJUSTMENT OF PRINCIPAL AMOUNTS:** The principal amounts set forth in this Official Notice Inviting Bids reflect certain estimates of the County. The principal amortization schedule may be changed prior to the time bids are to be received and if adjustments are made, bidders must bid on the basis of the adjusted schedule. Such changes, if any, will be communicated by Thomson, not later than 10:00 a.m., Pacific Time, on the business day prior to the bid opening.

**REDEMPTION PRIOR TO MATURITY:** Any Bond will be subject to redemption in whole on any Interest Payment Date from amounts received by the County from the owner of the property to which such Bond relates pursuant to the exercise of such property owner's right to prepay his assessment. The redemption price of any Bond so redeemed will equal one hundred and five percent (105%) of the principal amount thereof. Pursuant to Section 6447 of the Bond Act, any property owner may, at any time, pay in full all installments of the assessment levied against his property by depositing with the Treasurer (i) the total amount of unpaid installments of the assessment, plus (ii) interest to the next succeeding January 2 or July 2, if such interest has not already been paid, plus (iii) all accrued and unpaid penalties, plus (iv) a premium equal to five percent (5%) of all unpaid installments of the assessment. See the preliminary Official Statement relating to the Bonds.

**INTEREST RATES:** Bidders must bid to purchase all and not part of the Bonds. Each interest rate bid must be a multiple of one hundredth (1/100) of one percent (1%). No Bond shall bear more than one interest rate. Each Bond must bear interest at the rate specified in the bid from its dated date to its fixed maturity date or until redeemed. Bidders should assume a dated date and a delivery date on the Bonds of January 24, 2006. The true interest cost on the Bonds may not exceed eight percent (8%). The bidder shall provide a calculation of the true interest cost which is considered informative only and not part of the bid.

**REOFFERING PRICE:** The successful bidder within one (1) hour after being notified of the award of the Bonds will be required to advise the County of the initial public offering price of the Bonds. The successful bidder will also be required, prior to delivery of the Bonds, to furnish to the County a certificate acceptable to Bond Counsel stating that (i) the successful bidder has made a bona fide public offering of the Bonds to the public at initial offering prices not greater than the price shown on the cover of the Official Statement and (ii) a substantial amount of the Bonds were sold to purchasers thereof (not including bond houses and brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at prices not greater than such offering prices.

**LIST OF MEMBERS ACCOUNT:** Bidders are requested to list on the bid submission the names of the members of the account on whose behalf the bid is made. The apparent winning bidder will be required to verify such list or to provide an updated list via facsimile prior to the award of the Bonds.

**SURETY BOND:** A good faith deposit (a "Deposit") in the form of a financial surety bond ("Surety Bond") in the amount of \$75,000 must accompany each bid as a guarantee that the bidder, if successful, will accept and pay for said Bonds in accordance with the terms of the bid. A Surety Bond must be from Sure-Bid or guaranteed by such other insurance company licensed to issue such a bond in the State of California acceptable to the County; and to be payable to the order of the Treasurer to secure the County from any loss resulting from the failure of the bidder to comply with the terms of the bid. Each Surety Bond must identify the bidder whose Deposit is guaranteed by such Surety Bond.

The successful bidder is required to submit its Deposit to the Treasurer in the form of a wire transfer as instructed by the County not later than 12:00 noon (Pacific Time) on the next business day following the award. If such wire transfer is not received by that time, the Surety Bond may be drawn upon by the County to satisfy the Deposit requirement. The successful bidder's bid guarantee shall be retained by the County as liquidated damages in the event that successful bidder does not pay for the

Bonds at delivery. However, the County may seek to recover additional damages from the failure to pay for the Bonds if such damages result.

If a successful bidder completes its purchase of the Bonds on the terms stated in its bid, its Deposit will be applied to the purchase of the Bonds on the date of issuance of the Bonds. Interest earned on the Deposit will accrue solely to the benefit of the County.

**OFFICIAL STATEMENT:** The County will have prepared and will make available a preliminary Official Statement prior to the time for receipt of bids, although it is subject to revision, amendment and completion in a final Official Statement. The County will provide to the successful bidder such reasonable number of printed copies of the final Official Statement as such bidder may request. Copies of the Preliminary Official Statement are expected to be available on the Internet on or about January 6, 2006, at:

<http://www.emerrill.com/investordocs2/merrill/gproj.asp?pid=1986>

or by request made to Mr. Glenn Byers, Director of Public Finance, County of Los Angeles Treasurer and Tax Collector, 500 West Temple Street, Room 437, Los Angeles, California 90012, telephone: (213) 974-7175.

**RIGHT TO REJECT BIDS; WAIVE IRREGULARITIES:** The County reserves the right to reject any and all bids and, to the extent permitted by law, to waive any irregularity or informality in any bid.

**AWARDING OF BIDS:** The County will take action awarding or rejecting all bids not later than twenty-four (24) hours after the expiration of the time herein prescribed for the receipt of bids. The highest bidder shall be the bidder submitting the best price for the Bonds, resulting in the lowest true interest cost as determined for the County by the County of Los Angeles Treasurer and Tax Collector (the "Treasurer"), whose determination shall be binding and final absent manifest error. In case of tie bids, the awarding bidder will be determined by lot. In the event multiple bids are received from a single bidder, the County shall accept the best of such bids, and each bidder agrees by submitting any bid to be bound by its best bid.

**DELIVERY AND PAYMENT:** Delivery of the Bonds is expected to occur on or about January 24, 2006. The successful bidder shall pay for the Bonds on the date of delivery in Los Angeles in immediately available federal funds. Any expenses of providing federal funds shall be borne by the purchaser. Payment on the delivery date shall be made in an amount equal to the price bid for the Bonds, less the amount of the good faith check.

**CUSIP NUMBERS:** It is anticipated that CUSIP Numbers will be printed on the Bonds, but the County will assume no obligation for the assignment or printing of such numbers on the Bonds or for the correctness of such numbers, and neither the failure to print such numbers on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the purchasers thereof to accept delivery of and make payment for the Bonds. The cost of obtaining and assigning CUSIP Numbers will be borne by the successful bidder.

**CALIFORNIA DEBT INVESTMENT AND ADVISORY COMMISSION FEE:** Pursuant to Section 8856 of the California Government Code, a fee must be paid to the California Debt and Investment Advisory Commission ("CDIAC") to cover the costs of its activities with respect to the Bonds. Liability for payment of such CDIAC fee will be borne by the successful bidder or bidders.

- (d) Certificate regarding Official Statement. A certificate of an appropriate County Official, acting on behalf of the County, solely in his or her official and not in his or her personal capacity, stating that as of the date of the Official Statement pertaining to the Bonds and at all times subsequent thereto up to and including the time of delivery of the Bonds to the initial purchasers thereof, the Official Statement together with any amendments thereto did not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and
- (e) Signature Certificate. A signature certificate of a responsible official of the County confirming to the successful bidder, the incumbency and authenticity of the official executing the Bonds and stating that he or she was not aware of any litigation threatened or pending affecting the validity of the Bonds.

**RIGHT TO MODIFY OR AMEND:** The County reserves the right to modify or amend this Official Notice Inviting Bids, however, such modification or amendment shall be made not later than 10:00 a.m., Pacific Time, on the business day prior to the bid period and communicated through Thomson.

**POSTPONEMENT; REJECTION OF BIDS:** The County reserves the right to postpone, from time to time, the date established for receipt of bids. Any such postponement will be announced by Parity, not later than 10:00 a.m., Pacific Time, on the last business day prior to any announced date for receipt of bids. If any date fixed for the receipt of bids and the sale of the Bonds is postponed, any alternative sale date will be announced via TM3 News Wire, at least twenty-four (24) hours prior to such alternative sale date. On any such alternative or subsequent sale date, any bidder may submit a bid for the purchase of the Bonds in conformity in all respects with the provisions of this Official Notice Inviting Bids, except for the date of sale and except for the changes announced via Thomson, at the time the sale date and time are announced.

### THE BONDS

**Section 2.1. Equality of Bonds; Pledge of Assessments Installment; Limited Liability.** The County hereby pledges and assigns to the Paying Agent and the Fiscal Agent, as applicable, in trust for the protection and security of the Bondowners, all of its right, title and interest in the Assessment Installments and any foreclosure proceedings relating thereto, the proceeds of the sale of the Bonds and all other funds, accounts and sub-accounts (other than the Improvement Fund, the Administrative Expense Fund and the Rebate Fund) created hereunder for the payment of principal of, premium (if any) and interest on the Bonds. Pursuant to the Act and this Indenture, the Bonds shall be and are equally secured by a pledge of and lien upon the Assessment Installment and the amounts on deposit in aforementioned funds and accounts.

Neither the credit nor the taxing power of the County, the State or any political subdivision thereof is pledged for the payment of the Bonds or the interest thereon and, except as provided herein, no Owner of the Bonds may compel the exercise of any taxing power by the County or force the forfeiture of any of their respective property. The principal of, premium (if any) and interest on the Bonds are not a debt of the County, the State or any political subdivision thereof nor a legal or equitable pledge, charge, lien or encumbrance upon any of their respective property or upon any of their respective income, receipts or revenues, except the Assessment Installments. The Bonds and interest thereon are not payable from the general funds of the County.

Except for the collection of the Assessment Installments and the observance and performance of the other conditions, covenants and terms contained herein or in the Act required to be observed or performed by it, the County shall not have any obligation or liability to the Owners with respect to this Indenture or the Bonds.

**Section 2.2. Description of Bonds; Interest Rates.** The Bonds shall consist of such bonds designated generally as “County of Los Angeles County Improvement No. 2659-M (Shrode Avenue Sewer Project) 1911 Act Limited Obligation Improvement Bonds Series 2004.” Under and pursuant to the Act, Bonds in the aggregate principal amount not to exceed \$\_\_\_\_\_ shall be issued for the purposes of constructing, acquiring and completing the Project. The Bonds shall be dated the Delivery Date and shall be issued in fully registered form. One bond shall be issued to represent each unpaid Assessment in the amount of \$150 or more. The Bond shall bear interest at the rate of \_\_\_\_ % per

annum. The principal of each Bond shall be payable in 20 equal installments on January 2 in each year commencing on January 2, 2007 as set forth in Exhibit C hereto.

Principal of, premium (if any) and interest on the Bonds shall be payable in lawful money of the United States of America. The principal of the Bonds and any premium due upon the redemption thereof shall be payable upon presentation and surrender thereof at maturity or earlier redemption at the Principal Office of the Paying Agent and interest on the Bonds shall be payable on the Interest Payment Date. Interest with respect to each Bond shall accrue from its Delivery Date. Interest on any Bond shall be payable from the Interest Payment Date next preceding the date of authentication of that Bond, unless (i) such date of authentication is an Interest Payment Date, in which event interest shall be payable from such date of authentication, (ii) the date of authentication is after a Record Date but prior to the immediately succeeding Interest Payment Date, in which event interest shall be payable from such immediately succeeding Interest Payment Date, or (iii) the date of authentication is prior to the close of business on the first Record Date, in which event interest shall be payable from the dated date of the Bonds; provided, however, that if at the time of authentication of such Bond, interest is in default, interest on that Bond shall be payable from the last Interest Payment Date to which the interest has been paid or made available for payment or from the dated date of the Bonds if no interest has been paid or made available for payment. Interest on any Bond shall be paid by check, draft or warrant drawn by the Paying Agent and mailed by first class mail, postage prepaid, to the person whose name shall appear in the Bond Register as the Owner of such Bond as of the close of business on the Record Date at the address which appears on the Bond Register. Interest with respect to each Bond shall be computed using a year of 360 days comprised of twelve 30-day months.

**Section 2.3. Form of Bonds and Certificate of Authentication and Registration.**

Except as otherwise provided in Section 2.7 hereof, the Bonds and certificate of authentication and registration shall be substantially in the form attached as Exhibit A to this Indenture.

**Section 2.4. Execution and Authentication.**

The Bonds shall be executed by the manual or facsimile signature of the Treasurer and attested by the manual or facsimile signature of the Executive Officer-Clerk of the Board of Supervisors, and the seal of the County (or a facsimile thereof) shall be impressed, imprinted, engraved or otherwise reproduced thereon. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed have been authenticated and delivered by the Paying Agent (including new Bonds delivered pursuant to the provisions hereof with reference to the transfer and exchange of Bonds or to lost, stolen, destroyed or mutilated Bonds), such Bonds may, nevertheless, be authenticated and delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices.

The Bonds shall bear thereon a certificate of authentication and registration, in the form included in Exhibit A to this Indenture, executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication and registration shall be entitled to any right or benefit under this Indenture, and no Bond shall be valid or obligatory for any purpose until such certificate of authentication and registration shall have been duly executed by the Paying Agent.

**Section 2.5. Registration of Exchange or Transfer.**

The registration of any Bond may, in accordance with its terms, be transferred upon the Bond Register by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Bond for cancellation at the Principal Office, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent and duly executed by the Bondowner or his or her duly authorized attorney. Bonds may be exchanged at the Principal Office for a like aggregate principal amount of Bonds of other authorized denominations of the same maturity and interest rate. The Paying Agent may impose

a charge not to exceed ten dollars (\$10) for any new Bond issued upon transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. Whenever any Bond or Bonds shall be surrendered for registration of transfer or exchange, the Paying Agent shall authenticate and deliver a new Bond or Bonds of the same maturity, for a like aggregate principal amount; provided that the Paying Agent shall not be required to register transfers or make exchanges of (i) Bonds for a period of 15 days next preceding the date of any selection of the Bonds to be redeemed, or (ii) any Bonds chosen for redemption.

**Section 2.6. Mutilated, Lost, Destroyed or Stolen Bonds.** If any Bond shall become mutilated, the Paying Agent shall authenticate and deliver a new Bond of like tenor, date, maturity and amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Paying Agent of the Bond so mutilated. Every mutilated Bond so surrendered to the Paying Agent shall be canceled and delivered to or upon the order of the County. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Paying Agent and, if such evidence is satisfactory to the Paying Agent and, if an indemnity satisfactory to the Paying Agent shall be given, the Paying Agent shall authenticate and deliver a new Bond of like tenor and maturity, numbered and dated as the Paying Agent shall determine in lieu of and in substitution for the Bond so lost, destroyed or stolen. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to have been lost, destroyed or stolen shall be equally and proportionately entitled to the benefits hereof with all other Bonds secured hereby. The Paying Agent shall not treat both the original Bond and any replacement Bond as being Outstanding for the purpose of determining the principal amount of Bonds which may be executed, authenticated and delivered hereunder or for the purpose of determining any Percentage of Bonds Outstanding hereunder, but both the original and replacement Bond shall be treated as one and the same. Notwithstanding any other provision of this Section, in lieu of delivering a new Bond to replace a Bond which has been mutilated, lost, destroyed or stolen, and which has matured or has been called for redemption, the Paying Agent may make payment with respect to such Bond upon receipt of indemnity satisfactory to the Paying Agent.

**Section 2.7. Temporary Bonds.** Any Bonds issued under this Indenture may be initially issued in temporary form exchangeable for definitive bonds. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the County and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed and sealed by the County and authenticated by the Paying Agent in substantially the same manner as provided in Section 2.4 hereof. If the County issues temporary Bonds it will have executed and will furnish definitive Bonds without delay and thereupon the temporary Bonds may be surrendered for cancellation at the Principal Office of the Paying Agent and the County shall deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of the same interest rates and maturities. Until so exchanged, the temporary Bonds shall be entitled to the same benefits under this Indenture as definitive Bonds issued hereunder.

**Section 2.8. Bond Register.** The Bonds shall originally be registered as may be directed by the original purchasers of the Bonds. The Paying Agent will keep or cause to be kept, at the Principal Office, sufficient books for the registration and transfer of the Bonds and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Bond Register, Bonds as herein provided.

The County and the Paying Agent may treat the Owner of any Bond whose name appears on the Bond Register as the absolute Owner of such Bond for any and all purposes, and the County and the Paying Agent shall not be affected by any notice to the contrary. The County and the Paying Agent may rely on the address of the Bondowner as it appears in the Bond Register for any and all purposes. It

shall be the duty of each Bondowner to give written notice to the Paying Agent of any change in such Bondowner's address so that the Bond Register may be revised accordingly.

**Section 2.9. Unclaimed Money.** To the extent permitted by law, all money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held for the respective Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of one year after the date on which any payment or redemption with respect to such Bonds shall have become due and payable shall be transferred to the County for deposit in the General Fund of the County; provided, however, that the Paying Agent, before making such payment, shall cause notice of unclaimed money to be mailed to the Owners of such Bonds, by first class mail, postage prepaid. Thereafter, the Owners of such Bonds shall look only to the General Fund of the County for payment and then only to the extent of the amount so received without any interest thereon.

**Section 2.10. Nonpresentment of Bonds.** Except as otherwise provided in Section 2.9 hereof, in the event any Bonds shall not be presented for payment when the principal or redemption price thereof becomes due, if funds sufficient to pay such Bonds shall be held by the Paying Agent for the benefit of the Owners thereof, all liability of the County to the Owners thereof shall forthwith cease and be completely discharged and thereupon it shall be the duty of the Paying Agent to hold such funds (subject to Section 2.9 hereof), without liability for interest thereon, for the benefit of the Owners of such Bonds, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on or with respect to such Bonds.

### ARTICLE III

#### REDEMPTION OF BONDS

**Section 3.1. Redemption.** Any Bond shall be redeemed in whole prior to its final maturity on any Interest Payment Date from moneys on deposit and available for such purpose in the Redemption Fund from the source described in Section 6447 of the 1911 Act, at the redemption price described in Section 6447, which shall include a redemption premium equal to five percent (5%) of the unpaid principal amount of the Bond to be redeemed. In the event that the County redeems the Bonds as provided in this Section 3.1, the County shall give written notice to the Paying Agent of the redemption of such Bonds, the Redemption Date and the principal amount of Bonds to be redeemed. Such notice shall be given as soon as possible after receipt by the Treasurer of amounts to effect the redemption under the 1911 Act.

**Section 3.2. Notice of Redemption.** The Paying Agent shall give notice, at the expense of the County, of the redemption of the Bonds (i) by (A) first class mail, postage prepaid, (B) confirmed facsimile transmission, or (C) overnight delivery service, to the Owner of any Bond to be redeemed. Such Redemption Notice shall specify: (i) the Bonds which are to be redeemed, (ii) the date of redemption, (iii) the place or places where the redemption will be made, including the name and address of any redemption agent, (iv) the redemption price, and (v) the CUSIP numbers (if any) assigned to the Bonds to be redeemed. Within the Rebate Fund, the Fiscal Agent shall maintain such other accounts as it is instructed by the County as shall be necessary in order to comply with the terms and requirements of the Tax Certificate. Absent an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the Bonds will not be adversely affected, the County shall cause to be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to this Section and the Tax Certificate. Subject to the transfer provisions provided in Subsections (a)(iii) and (b) below, all money at any time deposited in the Rebate Fund shall be held by the Fiscal Agent in trust for payment to the United States Treasury, and no other person shall have any rights in or claim to such money. All amounts on deposit in the Rebate Fund for the Bonds shall be governed by this Section and the Tax Certificate for the Bonds, unless and to the extent that the County delivers to the Fiscal Agent an opinion of Bond Counsel that the exclusion from gross income for federal income tax purposes of interest on the Bonds will not be adversely affected if such requirements are not satisfied. The Fiscal Agent shall be deemed conclusively to have complied with such provisions if it follows the directions of the County including supplying all necessary information in the manner provided in the Tax Certificate, shall not be required to take any actions thereunder, in the absence of written directions by the County, and shall have no liability or responsibility to enforce compliance by the County with the terms of the Tax Certificate. The Fiscal Agent shall have no responsibility to make any independent calculations or determinations or to review the County's calculations hereunder.

The County shall obtain expert advice as to the amount of the Rebatable Arbitrage to comply with this Section.

(ii) ***Annual Transfer.*** Prior to completion of the Project, within 55 days of the end of each Bond Year, and following completion of the Project, within 55 days of the end of each fifth Bond Year, upon the written request of the County an amount shall be deposited to the Rebate Fund by the Fiscal Agent from deposits by the County, if and to the extent required, so that the balance in the Rebate Fund shall equal the amount of Rebatable Arbitrage so calculated in accordance with (i) of this Subsection (a). In the event that immediately following the transfer required by the previous sentence, the

amount then on deposit to the credit of the Rebate Fund exceeds the amount required to be on deposit therein, upon written request of the County, the Fiscal Agent shall withdraw the excess from the Rebate Fund and then credit the excess to the Redemption Fund.

(iii) **Payment to the Treasury.** The Fiscal Agent shall pay, as directed by request of the County, to the United States Treasury, out of amounts in the Rebate Fund,

(1) not later than 60 days after the end of (X) the fifth Bond Year, and (Y) each applicable fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the Rebatable Arbitrage calculated as of the end of such Bond Year; and

(2) not later than 60 days after the payment of all the Bonds, an amount equal to 100% of the Rebatable Arbitrage calculated as of the date of such payment and any income attributable to the Rebatable Arbitrage determined to be due and payable, computed in accordance with Section 1.148-3 of the Treasury Regulations.

In the event that, prior to the time of any payment required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the County shall calculate or cause to be calculated the amount of such deficiency and deposit an amount received from any legally available source equal to such deficiency prior to the time such payment is due. Each payment required to be made pursuant to this Subsection (a) shall be made to the Internal Revenue Service Center, Philadelphia, Pennsylvania 19255 on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, or shall be made in such other manner as provided under the Code.

(d) **Recordkeeping.** The County shall retain records of all determinations made hereunder until six years after the complete retirement of the Bonds.

(e) **Investment of Amounts in Rebate Fund.** The Fiscal Agent shall invest all amounts held in the Rebate Fund in eligible securities as instructed in writing by the County and shall otherwise hold such moneys uninvested, and the County shall be responsible for such instructions complying with the Tax Certificate. Money shall not be transferred from the Rebate Fund except as provided in Subsections (a)(iii) and (b) above.

All amounts received by the County for Administrative Expenses pursuant to Sections 10204(f) and 10312(b) of the 1913 Act, or otherwise, shall be deposited in the Administrative Expense Fund. The first money received by the

Treasurer with respect to each parcel in each fiscal year up to the amount levied pursuant to Section 10312(b) of the 1913 Act shall be deemed in satisfaction of such assessment for Administrative Expenses and shall be transferred to the Fiscal Agent for deposit in the Administrative Expense Fund.

On each June 30 amounts on deposit in the Administrative Expense Fund in excess of the Administrative Expenses expected to be incurred through the next succeeding Fiscal Year may be applied as a credit upon the assessment levied for the upcoming Fiscal Year for Administrative Expenses pursuant the 1913 Act.

Amounts on deposit in the Administrative Expense Fund shall be applied by the Fiscal Agent to the payment of Administrative Expenses upon receipt of and in accordance with properly submitted Administrative Expense Payment Request Forms in substantially the form of Exhibit B attached hereto, duly executed by an Authorized Representative of the County. Administrative Expenses shall be paid directly to the person, corporation or entity entitled to payment hereunder and named as a Payee on the Administrative Expense Payment Request Form. Notwithstanding anything herein to the contrary, the Fiscal Agent may rely on an executed Administrative Expense Payment Request Form as complete authorization for any payments. Any surplus remaining in the Administrative Expense Fund after payment or provision for payment of all Administrative Expenses incurred or expected to be incurred through and including the date of final payment in full of the Bonds may be transferred to the general fund of the County.

## ARTICLE IX

### SUPPLEMENTAL INDENTURES

**Section 9.1. Supplemental Indenture Without Bondowner Consent.** The County, the Paying Agent and the Fiscal Agent may from time to time, and at any time, without notice to or consent of any of the Bondowners, enter into such indentures or agreements supplemental hereto as shall not be inconsistent with the terms and provisions hereof (which supplemental indentures or agreements shall thereafter form a part hereof) for any of the following purposes:

(a) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provision with respect to matters or questions arising under this Indenture or in any supplemental indenture, provided that such action shall not adversely affect the interests of the Bondowners;

(b) to add to the covenants and agreements of and the limitations and the restrictions upon the County contained in this Indenture, other covenants, agreements, limitations and restrictions to be observed by the County which are not contrary to or inconsistent with this Indenture as theretofore in effect; and

(c) to modify, alter, amend or supplement this Indenture in any other respect which is not materially adverse to the interests of Bondowners.

**Section 9.2. Supplemental Indenture With Bondowner Consent.** Exclusive of the supplemental indentures covered by Section 9.1, the owners of not less than sixty percent (60%) in aggregate principal amount of the Bonds then Outstanding shall have the right to consent to and approve the execution of such supplemental indentures as shall be deemed necessary or desirable for the purpose of waiving, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Indenture or in any supplemental indenture or agreement; provided, however, that nothing herein shall permit, or be construed as permitting, (a) an extension of the scheduled date of principal payments on any Bond, or the payment date of interest on, any Bond, without the consent of the owner of such Bond, (b) a reduction in the principal amount of, or redemption price of, any Bond or the rate of interest there on, without the consent of the owner of such Bond, or (c) a reduction in the aggregate principal amount of the Bonds the owners of which are required to consent to such supplemental indenture, without the consent of the owners of all Bonds then Outstanding. In no event, however, may a modification or amendment provide for the issuance of additional Bonds, notes or other evidences of indebtedness payable out of the Assessment Installments. Nothing herein contained, however, shall be construed as making necessary the approval by Bondowners of the execution of any supplemental indentures or agreements.

**Section 9.3. Notice of Supplemental Indenture to Bondowners.** If at any time the parties hereto shall desire to enter into an indenture supplemental hereto, which pursuant to Section 9.2 shall require the consent of the Bondowners, the County shall so notify the Paying Agent and shall deliver to the Paying Agent a copy of the proposed supplemental indenture and the notice to be provided to the Bondowners. The Paying Agent shall, at the expense of the County, cause notice of the proposed supplemental indenture to be mailed, postage prepaid, to all Bondowners at their addresses as they appear in the Bond Register. Such notice shall briefly set forth the nature of the proposed supplemental

indenture and shall state that a copy thereof is on file at the Principal Office for inspection by all Bondowners. The failure of any Bondowner to receive such notice shall not affect the validity of such supplemental indenture when consented to and approved as in Section 9.2 provided. Whenever at any time within one year after the date of the first mailing of such notice, the Paying Agent shall receive an instrument or instruments purporting to be executed by the owners of any less than sixty percent (60%) in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed supplemental indenture described in such notice, and shall specifically consent to and approve it substantially in the form of the copy thereof referred to in such notice as on file with the Paying Agent, such proposed supplemental indenture, when duly executed by the parties hereto, shall thereafter become a part of the proceedings for the issuance of the Bonds as referred to in Section 11.3 hereof. In determining whether the Owners of the requisite aggregate principal amount of the Bonds have consented to the adoption of any supplemental indenture, Bonds which are owned by the County or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the County shall be disregarded and shall be treated as though they were not Outstanding for the purpose of any such determination.

Upon the execution and delivery of any indenture supplemental hereto and the receipt of consent to any such supplemental indenture from the Owners of the appropriate aggregate principal amount of Bonds in instances where such consent is required pursuant to the provisions of this Section 9.3, this Indenture shall be, and shall be deemed to be, modified and amended in accordance therewith, and the respective rights, duties and obligations under this Indenture of the County, the Fiscal Agent and the Paying Agent and all Owners of Bonds then Outstanding shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such modifications and amendments.

## **ARTICLE X**

### **EVENTS OF DEFAULT; REMEDIES**

**Section 10.1. Events of Default.** Any one or more of the following events shall constitute an "Event of Default":

(b) Default in the due and punctual payment of the interest on any Bond when and as the same shall become due and payable; or

(c) Default by the County in the observance of any of the agreements, conditions or covenants on its part in this Indenture or in the Bonds contained (other than a payment default referred to in subparagraphs (a) and (b) above), and the continuation of such default for a period of 30 days after the County shall have been given notice in writing of such default by the Fiscal Agent; provided that if within 30 days the County has commenced curing of the default and diligently pursues elimination thereof, such period shall be extended to permit such default to be eliminated.

**Section 10.2. Remedies on Default.** (a) If any installment of principal or interest on any Bond is not paid when due, the owner of such Bond shall have the right to exercise such rights and remedies as are provided to such owner under the 1911 Act or under other applicable law.

(b) In the event of an Event of Default under Section 10.1 hereof, the Owners of a majority in aggregate principal amount of Outstanding Bonds may institute any suit, action, mandamus or other proceeding in equity or at law for the protection or enforcement of any right under this Indenture; but only if such owners have first made written request of the County after the right to exercise such powers or right of action shall have occurred, and shall have afforded the County a reasonable opportunity either to proceed to exercise the powers granted herein or granted under law or to institute such action, suit or proceeding in its name and unless also, the County shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby, and the County shall have refused or neglected to comply with such request within a reasonable time.

**Section 10.3. Non-Waiver.** A waiver of any default hereunder or breach of any obligation by the County hereunder shall not affect any subsequent default hereunder or any subsequent breach of an obligation by the County hereunder or impair any rights or remedies on any such subsequent default hereunder or breach of an obligation by the County hereunder. No delay or omission by the County to exercise any right or remedy accruing upon any default hereunder shall impair any such right or remedy or shall be construed to be a waiver of any such default hereunder or an acquiescence therein, and every right or remedy conferred upon the County by applicable law or by this article may be enforced and exercised from time to time and as often as shall be deemed expedient by the County.

If any action, proceeding or suit to enforce any right or to exercise any remedy is abandoned or determined adversely to the County, the County shall be restored to its former position, rights and remedies as if such action, proceeding or suit had not been brought or taken.

**Section 10.4. Remedies Not Exclusive.** No remedy conferred herein upon or reserved herein to the County is intended to be exclusive of any other remedy, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing under applicable law or equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by any other applicable law.

**Section 10.5. No Liability by the County to the Owners.** Except for the collection of the Assessment Installments and the observance and performance of the other conditions, covenants and terms contained herein or in the Act required to be observed or performed by it, the County shall not have any obligation or liability to the Owners with respect to this Indenture or the preparation, authentication, delivery, transfer, exchange or cancellation of the Bonds. Pursuant to the Resolution of Intention relating to these proceedings, the County has determined that no funds of the County will be available to pay principal of, premium, if any, or interest on the Bonds. The County has determined that pursuant to the Act, the County will not obligate itself to advance available funds from the County's treasury to cure any deficiency which may occur in the Redemption Fund.

## ARTICLE XI

### MISCELLANEOUS

**Section 11.1. Cancellation of Bonds.** All Bonds surrendered to the Paying Agent for payment upon maturity or redemption shall upon payment therefor be canceled immediately and forthwith transmitted to or upon the order of the County. Any Bond purchased by the County as authorized herein shall be delivered to the Paying Agent and canceled forthwith and shall not be reissued. All of the canceled Bonds shall be transferred to and shall remain in the custody of the Paying Agent until destroyed by the Paying Agent pursuant to due authorization.

**Section 11.2. Execution of Documents and Proof of Ownership.** Any request, direction, consent, revocation of consent, or other instrument in writing required or permitted by this Indenture to be signed or executed by Bondowners may be in any number of concurrent instruments of similar tenor and may be signed or executed by such Owners in person or by their attorneys appointed by an instrument in writing for that purpose, or by any bank, trust company or other depository for such Bonds. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, and of the ownership of Bonds shall be sufficient for the purposes of this Indenture (except as otherwise herein provided), if made in the following manner:

(a) The fact and date of the execution by any Owner or his or her attorney of any such instrument and of any instrument appointing any such attorney, may be proved by a signature guarantee of any bank or trust company located within the United States of America. Where any such instrument is executed by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such signature guarantee shall also constitute sufficient proof of his or her authority.

(b) As to any Bond, the person in whose name the same shall be registered in the Bond Register shall be deemed and regarded as the absolute Owner thereof for all purposes, and payment of or on account of the principal of any such Bond, and the interest thereon, shall be made only to or upon the order of the registered Owner thereof or his or her legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond and the interest thereon to the extent of the sum or sums so paid. The Paying Agent shall not be affected by any notice to the contrary.

Nothing in this Indenture shall be construed as limiting the Paying Agent to such proof, it being intended that the Paying Agent may accept any other evidence of the matters herein stated which the Paying Agent may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done or suffered to be done by the Paying Agent in pursuance of such request or consent.

**Section 11.3. Provisions Constitute Contract.** In consideration of the purchase and acceptance of any and all of the Bonds authorized to be issued hereunder by those who shall hold the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the County and the Owners from time to time of the Bonds; and the pledge made in this Indenture and the covenants and agreements herein set forth to be performed on behalf of the County shall be for the equal benefit, protection and security of the owners of any and all of the Bonds, all of which, regardless of the time or times of their issuance, shall be of equal rank without preference, priority or distinction of any of the Bonds over any other thereof except as expressly provided in or permitted by this Indenture.

No remedy conferred hereby upon any Bondowner is intended to be exclusive of any other remedy, but each such remedy is cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred by the Act or any other law of the State. No waiver of any default or breach of duty or contract by any Bondowner shall affect any subsequent default or breach of duty or contract or shall impair any rights or remedies on said subsequent default or breach. No delay or omission of any Bondowner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed as a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Bondowners may be enforced and exercised as often as may be deemed expedient. In case any suit, action or proceeding to enforce any right or exercise any remedy shall be brought or taken and the Bondowner shall prevail, said Bondowner shall be entitled to receive from the Redemption Fund reimbursement for reasonable costs, expenses, outlays and attorney's fees and should said suit, action or

proceeding be abandoned, or be determined adversely to the Bondowners then, and in every such case, the District and the Bondowners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

**Section 11.4. Severability.** If any covenant, agreement or provision, or any portion thereof, contained in this Indenture, or the application thereof to any person or circumstance, is held to be unconstitutional, invalid or unenforceable, the remainder of this Indenture and the application of any such covenant, agreement or provision, or portion thereof, to other persons or circumstances, shall be deemed severable and shall not be affected thereby, and this Indenture and the Bonds issued pursuant hereto shall remain valid and the Bondowners shall retain all valid rights and benefits accorded to them under this Indenture and the Constitution and laws of the State.

**Section 11.5. Notice.** Any notice, demand, direction, request or other instrument authorized or required by this Indenture to be given to or filed with the County, the Paying Agent or the Fiscal Agent shall be deemed to have been sufficiently given or filed for all purposes of this Indenture if and when delivered to or sent by certified mail, return receipt requested to:

PRINCIPAL AMOUNT:

Under and by virtue of the Improvement Act of 1911 (Part 5 of Division 7 of the Streets and Highways Code) (the "Code"), the Paying Agent, out of the fund for the above designated improvement bonds (the "Bonds"), will pay to the Registered Owner named above, the sum of \_\_\_\_\_ dollars (\$ \_\_\_\_\_) with interest at the rate of \_\_\_\_\_ percent per annum, all as is hereinafter specified, and at the office of the Treasurer and Tax Collector of the County of Los Angeles, State of California.

This Bond is issued pursuant to the Indenture dated January 1, 2006 (the "Indenture"), executed by the County of Los Angeles, the Treasurer and Tax Collector of the County of Los Angeles, as Paying Agent, and the Auditor-Controller of the County of Los Angeles, as Fiscal Agent, to represent the cost of certain work in the County of Los Angeles, as the same is more fully described in the County Improvement No. 2659-M (Shrode Avenue Sewer Project) Second Amended And Restated Resolution of Intention for the Construction of Sanitary Sewers adopted by the Board of Supervisors of the County of Los Angeles, California on November 22, 2005, and on file with the Executive Officer Clerk of the Board of Supervisors. The principal amount of the Bond is the unpaid amount assessed in the recorded Assessment Roll with respect to County Improvement 2659-M against the lot or parcel of land numbered therein, and in the diagram attached thereto, as assessment number \_\_\_\_\_, and constitutes a lien upon the property affected thereby, as the same is described herein and in said recorded assessment with its diagram as Assessor Parcel Number \_\_\_\_\_ in said County of Los Angeles, State of California.

This Bond is payable exclusively from said assessment, and neither the County of Los Angeles nor any officer thereof is beholden for payment otherwise of its principal or interest. The term of this Bond is 20 years from the second day of January next succeeding the next September first following its date, and at the expiration of said time the whole sum unpaid shall be due and payable, but on the second day of January of each year, following the next September first after its date, an even annual proportion of its whole amount is due and payable, by mail to the Registered Owner hereof (and in the

case of the final payment of principal hereof, upon presentation of this Bond at the office of the Treasurer and Tax Collector of the County of Los Angeles in Los Angeles, California) until the whole is paid, with all accrued interest at the rate of \_\_\_\_\_ percent per annum.

The interest is payable semiannually on the second day of January and of July in each year hereafter, by warrant mailed to the Registered Owner hereof, commencing July 2, 2006. The first payment of interest is for the period from the date hereof to but not including the first interest payment date, and thereafter the interest payments are for semiannual interest.

This Bond may be redeemed by the owner of, or by any person interested in, the lot or parcel of land described herein, in the manner provided in the Code, at any time before final maturity, upon payment to the Treasurer and Tax Collector of the County of Los Angeles, for the Registered Owner of this Bond, of the amount then unpaid on the principal sum thereof, together with a premium of five percent of said unmatured principal, plus interest thereon (if not previously paid) up to the next succeeding January 2 or July 2, as the case may be, at the rate named in the Bond, and all penalties accrued and unpaid.

Should default be made in the annual payment upon the principal, or in any payment of interest from the owner of said lot or parcel of land, or anyone in his behalf, the Registered Owner of this Bond is entitled on or after the second day of January or July, as the case may be, following such default to declare the whole unpaid amount to be due and payable, and to have said lot or parcel of land advertised and sold forthwith, in the manner provided by law; provided, however, that any Bond may be reinstated after such default in the manner provided in the Code. In case of such default there shall be immediately added to such defaulted amount, two percent of the amount thereof, and on the first day of each month following such default there shall be added a further penalty of two percent of such defaulted amount. The two percent penalty first imposed shall be retained by the Treasurer and Tax Collector of the County of Los Angeles as a cost of servicing the delinquency and all subsequent penalties shall be paid to the Registered Owner of the Bond along with and as a part of such defaulted payment.

The registration of this Bond may be transferred by the person in whose name it is registered, in person or by his or her duly authorized attorney, upon surrender of such Bond for cancellation at the principal office of the Treasurer and Tax Collector, as Paying Agent, accompanied by delivery of a written instrument of transfer in a form approved by the Paying Agent and duly executed by the Bondowner or his or her duly authorized attorney. The Paying Agent may impose a charge not to exceed ten dollars (\$10) for any new Bond issued upon transfer and may require the Bondowner requesting such transfer to pay any tax or other governmental charge required to be paid with respect to such transfer. Whenever this Bond shall be surrendered for registration of transfer, the paying Agent shall authenticate and deliver a new bond of like tenor; provided that the Paying Agent shall not be required to register the transfer of any Bond called for redemption.

This Bond is issued subject to all the terms and conditions of the above mentioned Indenture, to all of the provisions of which the Registered Owner hereof, by acceptance of this Bond, assents and agrees.

IN WITNESS WHEREOF, the Board of Supervisors of the County of Los Angeles has caused this Bond to be signed by the Treasurer and Tax Collector of the County of Los Angeles, by his manual or facsimile signature and by the Executive Officer-Clerk of the Board of Supervisors of the County of Los Angeles, by her manual or facsimile signature, and has caused its corporate seal to be reproduced by facsimile hereon, all as of the \_\_\_\_\_ day of January, 2006.

*In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the County, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) interest on the Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations. The County of Los Angeles County Improvement No. 2659-M (Shrode Avenue Sewer Project) 1911 Act Limited Obligation Improvement Bonds, Series 2006 (the "Bonds") are being issued by the County of Los Angeles, California (the "County"), pursuant to the provisions of the Improvement Bond Act of 1911, as amended (California Streets and Highways Code Sections 5000 *et seq.*) (the "Bond Act"), and the Indenture, dated as of January 1, 2006 (the "Indenture"), by and among the County, the County Auditor-Controller, as fiscal agent (the "Fiscal Agent"), and the County Treasurer and Tax Collector (the "Treasurer"), as paying agent, to finance the design and construction of sanitary sewers and related work (the "Improvements") located within the unincorporated area of the County known as South Monrovia Island in the vicinity of the Cities of Duarte, Irwindale and Monrovia (the "Assessment District"). The Bonds are secured by, and represent, unpaid benefit assessments (the "Assessments") levied upon real property within the Assessment District. Construction of the Improvements, the levy and collection of the Assessments, and the legal proceedings of the County relative thereto are undertaken pursuant to the Municipal Improvement Act of 1913, as amended (California Streets and Highways Code Sections 10000 *et seq.*) (the "Assessment Act").

The Bonds will be issued only as fully registered bonds in denominations corresponding to the respective assessments they represent, as more fully described herein. Interest on the Bonds will be paid from the date of the Bonds on each January 2 and July 2, commencing on July 2, 2006 (each "Interest Payment Date"), by check or warrant drawn by the Treasurer and mailed to the registered owners of the Bonds at their respective addresses shown on the registration books maintained by the Treasurer as of the fifteenth day preceding each Interest Payment Date. The principal of the Bonds and any premium payable upon redemption thereof will be paid upon surrender of the Bonds at maturity or upon earlier redemption at the office of the County Treasurer in Los Angeles, California. The principal of each Bond will be paid in approximately even annual installments on January 2 of each year from January 2007 to and including January 2, 2021. **The Bonds are subject to redemption prior to maturity.** See "The Bonds – Redemption."

Under the provisions of the Bond Act, installments of principal and interest sufficient to meet annual bond debt service will be billed by the Treasurer to owners of property against which there are unpaid assessments. These annual installments are to be paid into a redemption account (the "Redemption Account") established for the Bonds to be held by the Fiscal Agent and used to pay debt service on the Bonds as it becomes due. The assessment securing each Bond is secured by a lien on a particular property against which there is an unpaid assessment within the Assessment District. Under the Bond Act, the Treasurer will bill the property owners for assessment installments ("Assessment Installments") as they become due. In the event any payments are delinquent, the total amount of delinquency (principal and/or interest) will accrue penalties at the rate of 2% per month until paid. The Bondowner shall be the recipient of all such penalties, except for penalties with respect to the first month of each delinquency. If a Bond becomes delinquent the Bondowner has the right to compel a foreclosure action on the property. See "Bondowner's Risks – Bankruptcy and Foreclosure."

**NEITHER THE CREDIT NOR THE TAXING POWER OF THE COUNTY, THE STATE OF CALIFORNIA (THE "STATE") OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED FOR THE PAYMENT OF THE BONDS OR THE INTEREST THEREON, AND, EXCEPT AS PROVIDED HEREIN, NO OWNER OF THE BONDS MAY COMPEL THE EXERCISE OF ANY TAXING POWER BY THE COUNTY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF OR FORCE THE FORFEITURE OF ANY OF THEIR RESPECTIVE PROPERTY. THE PRINCIPAL OF, PREMIUM (IF ANY) AND INTEREST ON THE BONDS ARE NOT A DEBT OF THE COUNTY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF NOR A LEGAL OR EQUITABLE PLEDGE, CHARGE, LIEN OR ENCUMBRANCE UPON ANY OF THEIR RESPECTIVE PROPERTY OR UPON ANY OF THEIR RESPECTIVE INCOME, RECEIPTS OR REVENUES, EXCEPT THE ASSESSMENT INSTALLMENTS. THE BONDS AND INTEREST THEREON ARE NOT PAYABLE FROM THE GENERAL FUNDS OF THE COUNTY. See "Security for the Bonds."**

Preliminary, subject to change.

**INTRODUCTION**

**Summary**

The purpose of this Official Statement, which includes the cover page, the table of contents and the appendices attached hereto (collectively, the "Official Statement") is to provide certain information concerning the sale and issuance of §[927,554]\* County of Los Angeles County Improvement No. 2659-M (Shrode Avenue Sewer Project) 1911 Act Limited Obligation Improvement Bonds, Series 2006 (the "Bonds"). *This introduction contains only a brief summary of certain of the terms of the Bonds being offered, and a brief description of the entire Official Statement. All statements contained in this introduction are qualified in their entirety by reference to the entire Official Statement. References to, and summaries of, provisions of the Constitution and laws of the State of California (the "State") and any documents referred to in this Official Statement do not purport to be complete and such references are qualified in their entirety by reference to the complete provisions. All capitalized terms used in this Official Statement and not otherwise defined herein shall have the meanings set forth in the Indenture (herein defined). See Appendix A - "Summary of the Indenture."*

**Purpose of the Bonds**

The Bonds are being issued pursuant to the provisions of the Improvement Bond Act of 1911, as amended (California Streets and Highways Code Sections 5000 *et seq.*) (the "Bond Act"), and the Indenture, dated as of January 1, 2006 (the "Indenture"), by and among the County, the County Auditor-Controller (the "Auditor-Controller"), as fiscal agent, and the County Treasurer and Tax Collector (the "Treasurer"), as paying agent, to finance the design and construction of sanitary sewers and related work (the "Improvements") located within the unincorporated area of the County known as South Monrovia Island in the vicinity of the Cities of Duarte, Irwindale and Monrovia (the "Assessment District"). The Bonds are secured by, and represent, unpaid benefit assessments (the "Assessments" and each installment thereof, the "Assessment Installment") levied upon real property within the Assessment District. Construction of the Improvements, the levy and collection of the assessments, and the legal proceedings of the County relative thereto are undertaken pursuant to the Municipal Improvement Act of 1913, as amended (California Streets and Highways Code Sections 10000 *et seq.*) (the "Assessment Act").

**The Assessment District**

The Assessment District was created by the County pursuant to proceedings taken under the Assessment Act. The Assessment District is comprised of 64 originally assessed parcels, 61 of which (the "Assessment Parcels") bear unpaid assessments. A list of those parcels and the respective Assessments applicable to them, together with certain other information relative thereto, is set forth in Appendix C –

\* Preliminary, subject to change.

“Table of Unpaid Assessments, Bond Numbers and Denominations and Values and Ratios.” See “The Assessment District.”

## **The Improvement Project**

The Bonds are being issued to finance the Improvements and related expenses. The proposed Improvements include engineering services and the construction of approximately 2,000 lineal feet of 8-inch sewer, approximately 10 sewer manholes, approximately 1,900 lineal feet of 6-inch sewer laterals, and three (3) connections to the existing sewers in Camino Real within the unincorporated area of the County known as South Monrovia Island in the vicinity of the Cities of Duarte, Irwindale and Monrovia. See "The Improvement Project."

## **Description of the Bonds**

The Bonds will be issued in the aggregate principal amount of \$[927,554]\* and will be dated the date of issuance. Each Bond will be issued in fully registered form in the denomination corresponding to the Assessment it represents in the amount of \$150 or more, as set forth in Appendix C – "Table of Unpaid Assessments, Bond Numbers and Denominations and Values and Ratios." Each Bond relates to a particular parcel within the Assessment District, and no Bond may be exchanged for a Bond of a different denomination. Interest on the Bonds will be paid on each January 2 and July 2, commencing on July 2, 2006. Each Bond is subject to redemption in whole on any Interest Payment Date (herein defined), from amounts received by the County from the owner of the property to which such Bond relates pursuant to the exercise of such property owner's right to prepay his or her assessment installment. The principal of each Bond shall be payable in 20 equal installments on January 2 in each year commencing January 2, 2007. The final installment of principal of any Bond and any premium due upon any Bond called for redemption prior to its final maturity shall be payable upon presentation and surrender of such Bond at maturity or earlier redemption at the Principal Office (herein defined) of the Treasurer. See "The Bonds."

## **Security for the Bonds**

The Bonds are issued upon and secured by the unpaid assessments levied upon certain real property within the Assessment District. Each Bond is secured by an unpaid assessment upon a lot or parcel of land, which unpaid assessment constitutes a lien upon the property affected thereby. Should default be made in the annual payment of the principal or in any payment of interest by the owner of said lot or parcel of land, or anyone on behalf of the owner, the owner of the Bond is entitled to cause foreclosure proceedings to be instituted pursuant to the Bond Act. The lien of the unpaid assessment is subordinate to all fixed special assessment liens previously imposed upon the same property, but has priority over all fixed special assessment liens which may thereafter be created against the property. Such lien is on a parity with all special taxes levied by the County and other agencies and is coequal to and independent of the lien for general property taxes regardless of when they are imposed upon the same property. The Assessment has priority over all existing and future private liens and all future fixed special assessment liens imposed on the property. The County, however, has no control over the ability of other entities and districts to issue indebtedness secured by special taxes or assessments payable from all or a portion of the property within the Assessment District. The County has not determined whether there are any additional assessment liens or special taxes on land in the Assessment District. See "Bondowner's Risks – Parity Taxes and Special Assessments." The County is not obligated to advance its own funds to pay debt service on the Bonds. See "Security for the Bonds" and Appendix A – "Summary of the Indenture."

---

\* Preliminary, subject to change.

NEITHER THE CREDIT NOR THE TAXING POWER OF THE COUNTY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED FOR THE PAYMENT OF THE BONDS OR THE INTEREST THEREON, AND, EXCEPT AS PROVIDED HEREIN, NO OWNER OF THE BONDS MAY COMPEL THE EXERCISE OF ANY TAXING POWER BY THE COUNTY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF OR FORCE THE FORFEITURE OF ANY OF THEIR RESPECTIVE PROPERTY. THE PRINCIPAL OF, PREMIUM (IF ANY) AND INTEREST ON THE BONDS ARE NOT A DEBT OF THE COUNTY, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF NOR A LEGAL OR EQUITABLE PLEDGE, CHARGE, LIEN OR ENCUMBRANCE UPON ANY OF THEIR RESPECTIVE PROPERTY OR UPON ANY OF THEIR RESPECTIVE INCOME, RECEIPTS OR REVENUES, EXCEPT THE ASSESSMENT INSTALLMENTS. THE BONDS AND INTEREST THEREON ARE NOT PAYABLE FROM THE GENERAL FUNDS OF THE COUNTY. See "Security for the Bonds."

### **Foreclosure**

Each Bond relates to a particular parcel within the Assessment District. If a property owner fails to pay any Assessment Installment, there will be insufficient funds available to pay the related Bond. See "Security for the Bonds." The County is not obligated to advance its own funds to pay the principal of or interest on the Bonds in the event Assessment Installments received by the Treasurer are insufficient to make such payments.

In the event of the delinquency in the payment of an assessment installment, the County shall have no obligation to initiate foreclosure proceedings on the parcel for which such assessment installment is delinquent unless and until the owner of the Bond secured by such parcel provides the Treasurer with evidence satisfactory to the Treasurer that such Bondowner has given notice of the delinquency to the owner of such parcel pursuant to Section 6500 of the California Streets and Highways Code.

The County shall have no obligation to purchase any Assessment Parcel which is subject to sale due to foreclosure on the assessment lien thereon as a result of the delinquency in the payment of an Assessment Installment. See "Bondowner's Risks – Bankruptcy and Foreclosure."

### **Bondowner's Risks**

Certain events could affect the availability of funds sufficient to pay the principal of and interest on the Bonds when due. See the section of this Official Statement entitled "Bondowner's Risks" for a discussion of certain factors which should be considered, in addition to other matters set forth herein, in evaluating an investment in the Bonds. The Bonds are not rated by any nationally recognized rating agency. The purchase of the Bonds involves risks, and the Bonds are not appropriate investments for investors who are not able to bear those risks. See "Bondowner's Risks."

### **Tax Matters**

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the County, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), and (ii) interest on the Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations. In

addition, in the opinion of Bond Counsel to the County, under existing statutes, interest on the Bonds is exempt from personal income taxes imposed by the State of California. See "Tax Matters" herein.

## **THE IMPROVEMENT PROJECT**

The proposed improvements include engineering services and the design and construction of a sanitary sewer system necessary to provide wastewater collection and conveyance to private properties in an area located within the unincorporated area of Los Angeles County known as the South Monrovia Island in the vicinity of the Cities of Duarte, Irwindale and Monrovia. The proposed improvements consist of approximately 2,000 lineal feet of 8-inch sewer, approximately 10 sewer manholes, approximately 1,900 lineal feet of 6-inch sewer laterals and three connections to the existing sewer in Camino Real within the unincorporated area of the County known as South Monrovia Island in the vicinity of the Cities of Duarte, Irwindale and Monrovia. Preliminary plans and specifications for "County Improvement No. 2658-M, Shrode Avenue Sewer and Other Rights-of-Way" are on file in the office of the Clerk of the Board of Supervisors and the Department of Public Works.

## **THE ASSESSMENT DISTRICT**

### **General Description**

The Assessment District is located in the unincorporated area of the County known as South Monrovia Island in the vicinity of the Cities of Duarte, Irwindale and Monrovia.

The Assessment District is comprised of approximately 9.68 acres, located in the eastern portion of Los Angeles County and consists of 64 parcels. A list of those parcels and the respective Assessments applicable to them, together with certain other information relative thereto, is set forth in Appendix C – "Excerpts from the Engineer's Report."

### **Summary of Assessment Proceedings**

On June 11, 2002, the Board of Supervisors adopted a resolution instituting proceedings authorizing 1913 Act proceedings for this Project. On November 22, 2005, the Board of Supervisors adopted a Second Amended and Restated Resolution of Intention, declaring its intention to confirm the assessment and to order the improvements made in accordance with the Assessment Act. The Assessment District to be benefited by the work and Improvements and to be assessed to pay the costs and expenses thereof, are shown in the attached Assessment Diagram. It was determined that the Bonds shall be issued in payment of the costs and expenses, under the provisions of the Bond Act, and that the public necessity require such improvement pursuant Article XVI, Section 19 of the Constitution of the State and Part 2 of Chapter 4.56 of the Los Angeles County Code. The adopted Engineer's Report and Assessment Map \_\_\_\_\_ are on file in the Office of the Department of Public Works.

On October 19, 2005, a public meeting regarding the enactment of the proposed assessment was conducted by the Department of Public Works. The protest hearing regarding any objections to the proposed work and extent of the district to be assessed and assessments was held on November 22, 2005. The Board of Supervisors also confirmed the levy of the assessments in the estimated aggregate amount of \$[927,554]\* and approximately \$[37,271] has been received by the County as cash payments of such assessments.

### Method of Assessment

The total estimated improvement cost of \$964,825 consists of the cost for design and construction of wastewater collection and conveyance facilities in the approximate amount of \$860,185 and the costs for County Sanitation Districts of Los Angeles County connection fees in the approximate amount of \$104,640.

In accordance with the assessment methodology established by the Department of Public Works, the unit cost for the component applicable to the design and construction of the wastewater facilities will be the total cost of said facilities (\$860,185) divided by the total wastewater flow calculated by Sanitation District No. 22 (17,940 gpd) or \$47.947882/gpd ( $\$860,185 \div 17,940 \text{ gpd}$ ). Each parcel will be assessed its share of the design and construction of the wastewater facilities using the unit cost of \$53.780658/gpd and the estimated wastewater flow from each parcel.

Of the 64 parcels included in the Assessment District, three (3) parcels have already paid a portion of their connection fees to Sanitation District No. 22. The unit cost for the component applicable to the connection fees of the 61 remaining parcels will be the total cost of said fees (\$104,640) divided by the total number of existing sewage capacity units (65.40) or \$1,600/capacity unit ( $\$104,640 \div 65.40$ ). Each parcel will be assessed its share of the connection fees using the unit cost of \$1,600/capacity unit and the existing number of capacity units.

The zoning classifications within the Assessment District are as follows:

| <u>Zoning Classification</u>        | <u>Percent of Total</u> | <u>Design &amp; Construction Assessment</u> | <u>Connection Fee Assessment</u> | <u>Total Assessment</u> |
|-------------------------------------|-------------------------|---|----------------------------------|-------------------------|

### **Tax Payment Status**

As of August 22, 2005, County records indicate that 58 of the 64 parcels within the Assessment District are current on property taxes. The six parcels with property taxes for Fiscal Year 2004-05 and earlier that are due and unpaid are as follows:

### **Property Values**

The County has obtained the “full cash values” of the Assessment Parcels as shown in the records of Los Angeles County for property tax purposes. See Appendix C – “Table of Unpaid Assessments, Bond Numbers and Denominations and Values and Ratios” attached hereto.

Article XIII A of the California Constitution (Proposition 13) defines “full cash value” to mean “the county assessor’s valuation of real property as shown on the 1975/75 bill under ‘full cash value,’ or thereafter, the appraised value of real property when purchased or newly constructed or when a change in ownership has occurred after the 1975 assessment,” subject to exemptions in certain circumstances of property transfer or reconstruction. The “full cash value” is subject to annual adjustment to reflect increases, not to exceed 2% for any year, or decreases in the consumer price index or comparable local data, or to reflect reductions in property value caused by damage, destruction or other factors. As a result of such annual adjustments to the full cash value of each property in the Assessment District, the County tax roll does not reflect values uniformly proportional to actual market values.

No assurance can be given that should an Assessment Parcel with delinquent assessment installments be foreclosed and sold that any bid will be received for the parcel or if a bid is received that the bid will be sufficient to pay all amounts due the Bondowner.

### Assessment and Valuation Date

The total of the Assessments on all 64 parcels within the Assessment District is \$964,825, with Assessments ranging from \$12,738.52 to \$23,430.59. The Assessments on three parcels were paid in full during the cash payment period preceding the sale of the Bonds.

The remaining and unpaid Assessments total \$927,554. The value to lien ratio of the 61 Assessment Parcels ranges from 2:1 to 30:1. County records indicate that all parcels with a value to lien ratio of less than 3:1 were last valued prior to 1978. See Appendix C – “Table of Unpaid Assessments, Bond Numbers and Denominations and Values and Ratios” attached hereto for a summary of the assessed values of the Assessment Parcels and the amounts of their respective unpaid Assessments and the resultant value to lien ratios.

The following table identifies the distribution of Assessment Parcels by value to lien ratios for comparison purposes:

| <u>Value to<br/>Lien Ratio</u> | <u>Number of<br/>Assessment<br/>Parcels</u> | <u>Total Amount<br/>of Unpaid<br/>Assessments</u> | <u>Percentage of<br/>Total Unpaid<br/>Assessments</u> |

<sup>(1)</sup> Total may not equal sum of parts due to rounding.

## Direct and Overlapping Debt

Within the Assessment District's boundaries are various overlapping local agencies providing public services. Some of these local agencies have outstanding bonds which are secured by levies and charges on the parcels within the Assessment District. The direct and overlapping debt secured by taxes and assessment on the parcels within the Assessment District as of August 1, 2005 is shown in the following table compiled by California Municipal Statistics, Inc.

## **THE BONDS**

### **General Description**

The Bonds will be dated the date of issuance, will mature as shown in Appendix E - "Maturity Schedule" attached hereto, and will bear interest from their dated date on their respective unmatured principal amounts at the rate set forth on the cover page hereof.

Interest on the Bonds will be payable on each January 2 and July 2, commencing on July 2, 2006 (each an "Interest Payment Date"), to the registered owners of the Bonds as of the fifteenth day preceding such Interest Payment Date (the "Record Date"), regardless of whether such day is a business day. Each Bond will relate to a specific parcel of land within the Assessment District and will be issued in the denomination equal to the amount of the unpaid Assessment on each such parcel of land. See Appendix C - "Table of Unpaid Assessments, Bond Numbers and Denominations and Values Ratios."

Interest on the Bonds will be by check or warrant drawn by the Treasurer and mailed by first class mail, postage prepaid, to the person whose name shall appear in the Bond Register as the Owner of such Bond as of the Record Date at the address which appears on the Bond Register. Interest with respect to each Bond shall be computed using a year of 360 days comprised of twelve 30-day months. In the event a property owner within the Assessment District elects to prepay the installment of the assessment levied against his parcel, the related Bond is subject to redemption prior to maturity, in whole, on any Interest Payment Date at a redemption price equal to 105% of the unpaid principal amount thereof. The principal of each Bond shall be payable in 20 equal installments on January 2 in each year commencing January 2, 2007 and will be paid by check or warrant mailed to the registered owners of the Bonds as of the applicable Record Date. The final installment of principal of any Bond and any premium due upon any Bond called for redemption prior to its final maturity shall be payable upon presentation and surrender of such Bond at maturity or earlier redemption at the Principal Office of the Treasurer. See Appendix A - "Summary of the Indenture."

### **Redemption**

Any Bond shall be redeemed in whole prior to its final maturity on any Interest Payment Date from moneys on deposit and available for such purpose in the Redemption Fund from the source described in Section 6447 of the Bond Act, at the redemption price described in said Section 6447, which shall include a redemption premium equal to five percent (5%) of the unpaid principal amount of the Bond to be redeemed.

In the event that the County redeems the Bonds as provided in the Indenture, the County shall give written notice to the Paying Agent of its election to so redeem the Bonds, the Redemption Date and the principal amount of each series of Bonds to be redeemed. Such notice shall be given as soon as possible after receipt by the Treasurer of amounts to effect the redemption under the Bond Act.

The redemption price of any Bond to be redeemed will be paid upon presentation and surrender of such Bond at the Principal Office of the Treasurer. If the redemption price of any Bond to be redeemed has been paid or provided for, interest on such Bond or portion thereof will cease to accrue as of the redemption date, and such Bond will thereafter no longer be deemed to be outstanding.

### **Notice of Redemption**

When redemption is required pursuant to the Indenture, the County shall give written notice to the Paying Agent of its election to so redeem the Bonds, the Redemption Date and the principal amount of the Bonds to be redeemed. Such notice shall be given as soon as possible after receipt by the Treasurer of

amounts to effect the redemption under the Bond Act. The Paying Agent shall give notice (the "Redemption Notice"), at the expense of the County, of the redemption of the Bonds specifying: (i) the Bonds which are to be redeemed, (ii) the date of redemption, (iii) the place or places where the redemption will be made, including the name and address of any redemption agent, (iv) the redemption price and (v) the CUSIP numbers (if any) assigned to the Bonds to be redeemed. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with interest accrued to the Redemption Date, and that from and after such date interest thereon shall cease to accrue and be payable. Because the Bond Act permits any owner of property to prepay his assessment at any time and provides that the Bond relating to such prepayment must be called for redemption the next succeeding January 2 or July 2, no assurance can be given that the corresponding notice of redemption given by the Paying Agent will be received prior to the date fixed for redemption.

## **SECURITY FOR THE BONDS**

### **Assessments**

The Bonds are secured by unpaid assessments which have been levied against certain real property within the Assessment District in accordance with proceedings conducted by the County under the Assessment Act. Each Bond is payable only from the Assessment Installment received with respect to the Assessment Parcel to which such Bond relates, and not from Assessment Installments received with respect to other parcels of land. Payments of principal and interest on such outstanding assessments together with interest and penalties, if any, on delinquent assessment payments will be deposited in an account (the "Redemption Account") held by the Fiscal Agent. The Redemption Account constitutes a trust account for the payment of the principal of and interest on the Bonds, which are payable solely out of the Redemption Account.

The Assessments are payable in approximately even annual principal installments over a period of years corresponding to the final term to maturity of the Bonds. Interest accrues on the outstanding principal balance of each assessment at a rate equal to the interest rate on the Bonds, and is payable in January and July of each year until the Bonds are redeemed. A penalty of 2% per month will accrue with respect to any delinquent assessment installment from its due date to the date paid, and interest will continue to accrue on any delinquent assessment installment until fully paid. All penalties will be paid to the Bondowner, except for penalties with respect to the first month of each delinquency, along with and as part of the defaulted payment on the related Bond. The amount of each assessment was fixed at the time of levy thereof, and failure by any property owner to pay any assessment installment will not result in an increase in the assessment against any other parcel of land.

The assessments and each installment thereof and any interest and penalties thereon constitute liens against the Assessment Parcel on which they were levied until paid. Such assessment liens are subordinate to all fixed special assessment liens previously imposed on the same Assessment Parcel, but they have priority over all existing and future private liens and fixed special assessment liens which are subsequently imposed against the Assessment Parcel, such as deeds of trust, mortgages, attachments and the Assessment Parcel owner's equity. See "The Assessment District – Prior Assessment Liens." The lien is co-equal to and independent of the lien for general taxes and any community facilities district special taxes. The County, however, has no control over the ability of other entities and districts to issue indebtedness secured by special taxes or assessments payable from all or a portion of the property within the Assessment District. The County has not determined whether there are any additional assessment liens or special taxes on land in the Assessment District. See "Bondholder's Risks – Parity Taxes and Special Assessments."

Assessment installments are payable pursuant to billings made by the Treasurer as of April 15 and October 15 of each year, which amounts become delinquent on the following June 1 and December 1, respectively. Although the unpaid balance of each assessment constitutes a lien on the Assessment Parcel, it does not constitute a personal indebtedness of the owner of such Assessment Parcel. The County cannot ensure that the owners of the Assessment Parcel within the Assessment District will be financially able to pay the assessment installments when due, or that they will pay such assessment installments even if financially able to do so. See "Bondholder's Risks – Potential Delay in Payment" and "– Bankruptcy and Foreclosure."

The Bonds are not a debt of the County, the State or any other governmental entity within the meaning of any constitutional or statutory provision or limitation, and neither the full faith and credit nor the taxing power of the County of Los Angeles or any other governmental entity is pledged to the payment thereof. See "Bondholder's Risks – Parity Taxes and Special Assessments."

If a delinquency occurs in the payment of any unpaid Assessment or interest thereon, the County has no duty to transfer into the Redemption Account the amount of the delinquency.

#### **Establishment of Special Funds and Accounts**

In accordance with the Bond Act and the Assessment Act, and pursuant to the Indenture, the County has established two special funds for the collection of assessments, the payment of the principal of, and premium (if any) and interest on the Bonds, and for acquisition and construction of the Improvements.

**Improvement Fund.** There will be deposited into the Improvement Fund the proceeds of sale of the Bonds. Amounts on deposit in the Improvement Fund will be used to pay the costs of constructing and acquiring the Improvements and to reimburse certain costs and expenses of the County in connection therewith.

**Redemption Fund.** As described above under "Security for the Bonds – Assessments," all assessment installments, including prepaid assessment installments, and interest and penalties thereon, will be deposited into the Redemption Fund. Amounts on deposit in the Redemption Fund will be used to pay debt service on the Bonds; however, each Bond is payable only from the assessment installments received with respect to the parcel of land to which such Bond relates, and not from assessment installments received with respect to other parcels of land.

The Indenture also establishes a Rebate Fund, into which the Fiscal Agent will deposit any amounts which are required to be paid to the United States of America, and an Administrative Expense Fund, into which the Fiscal Agent will deposit certain additional amounts permitted to be assessed against properties within the Assessment District to offset the County's costs of administration of the Bonds and the assessments. Amounts on deposit in the Rebate Fund and the Administrative Expense Fund will not be available to pay debt service on the Bonds under any circumstances. See Appendix A – "Summary of the Indenture."

All funds held under the Indenture may be invested pending disbursement in any instruments which are permitted investments for the County's funds under the California Government Code. All earnings and profits with respect to the investment of funds held under the Indenture will inure to the benefit of the Bondowner and County as set forth in the Indenture, except to the extent such investment income is required to be rebated to the United States of America under the Bond Act or the Assessment Act.

## THE LOS ANGELES COUNTY POOLED SURPLUS INVESTMENTS

The Treasurer and Tax Collector (the Treasurer) of Los Angeles County has the delegated authority to invest funds on deposit in the County Treasury (the Treasury Pool). As of September 30, 2005, investments in the Treasury Pool were held for local agencies including school districts, community college districts, special districts and discretionary depositors such as cities and independent districts in the following amounts:

| <u>Local Agency</u>                            | <u>Invested Funds</u><br><u>(in billions)</u> |
|--|---|
| County of Los Angeles<br>and Special Districts | \$ 4.939                                      |
| Schools and Community Colleges                 | 8.115   |
| Independent Public Agencies                    | <u>1.193</u>                                  |
| Total  | \$ 14.247                                     |

Of these entities, the involuntary participants accounted for approximately 91.63%, and all discretionary participants accounted for 8.37% of the total treasury pool.

Decisions on the investment of funds in the Treasury Pool are made by the County Investment Officer in accordance with established policy, with certain transactions requiring the Treasurer's prior approval. In Los Angeles County, investment decisions are governed by Chapter 4 (commencing with Section 53600) of Part 1 of Division 2 of Title 5 of the California Government Code, which governs legal investments by local agencies in the State of California, and by a more restrictive Investment Policy developed by the Treasurer and adopted by the Los Angeles County Board of Supervisors on an annual basis. The Investment Policy adopted on March 15, 2005, reaffirmed the following criteria and order of priority for selecting investments:

1. Safety of Principal
2. Liquidity
3. Return on Investment

The Treasurer prepares a monthly Report of Investments (the Investment Report) summarizing the status of the Treasury Pool, including the current market value of all investments. This report is submitted monthly to the Board of Supervisors for formal action to approve it. According to the Investment Report dated October 27, 2005, the September 30, 2005 book value of the Treasury Pool was approximately \$14.247 billion and the corresponding market value was approximately \$14.211 billion.

An internal controls system for monitoring cash accounting and investment practices is in place. The Treasurer's Compliance Auditor, who operates independently from the Investment Officer, reconciles cash and investments to fund balances daily. The Compliance Auditor's staff also reviews each investment trade for accuracy and compliance with the Board adopted Investment Policy. The County Auditor-Controller's Office performs similar cash and investment reconciliations on a quarterly basis and regularly reviews investment transactions for conformance with the approved policies. Additionally, the County's outside independent auditor annually accounts for all investments.

The Treasury Pool is highly liquid. As of September 30, 2005 approximately 56.04% of the pool investments mature within 60 days, with an average of 122.53 days to maturity for the entire portfolio. The following table identifies the types of securities held by the Pool as of September 30, 2005.

| <u>Type of Investment</u>              | <u>% of Pool</u> |
|--|------------------|
| U.S. Government and Agency Obligations | 38.17            |
| Certificates of Deposit                | 24.51            |
| Commercial Paper                       | 30.97            |
| Bankers Acceptances                    | 0.00             |

| Repurchase Agreements                  | 0.00             |
| Other                                  | 0.03             |

Effective January 1, 1996, Section 27131 of the Government Code requires all counties investing surplus funds to establish a County Treasury Oversight Committee. On January 16, 1996, the Board of Supervisors approved the establishment of the County Treasury Oversight Committee and subsequently confirmed the five Committee members nominated by the Treasurer in accordance with that Section. The Committee, which meets quarterly, is required to review and monitor for compliance the investment policies prepared by the Treasurer.

#### **BONDOWNER'S RISKS**

*The following information supplements other sections of this Official Statement in order to highlight certain risks associated with the Bonds. The order in which the risks are presented is not intended to reflect either the likelihood that a particular event will occur or the relative significance of such an event. Moreover, there may well be other risks associated with an investment in the Bonds in addition to those set forth herein.*

##### **Limited Obligations; Failure to Pay Assessment Installments**

Funds for the payment of the principal of and interest on the Bonds are derived from the Assessment Installment received with respect to the Assessment Parcel to which such Bond relates, and not from Assessment Installments received with respect to other parcels of land. The amount of Assessment Installments that are collected from a particular Assessment Parcel could be insufficient to pay principal of and interest on the related Bond due to non-payment of the Assessment Installment levied upon the affected Assessment Parcel or due to insufficient proceeds received from a foreclosure sale of the related Assessment Parcel within the Assessment District. The County's legal obligations with respect to any delinquent Assessment Installments which secure the Bonds are limited to transfers from the appropriate account of the Redemption Fund and the institution of judicial foreclosure proceedings. The County has no direct or contingent liability to transfer into the Redemption Fund for the Bonds the amount of the delinquency out of any available moneys of the County. The Bonds cannot be accelerated in the event of a default.

Failure by current or subsequent owners of the parcels to pay Assessment Installments when due, delay in foreclosure proceedings, or the inability of the County to sell parcels which have been subject to foreclosure proceedings for amounts sufficient to cover the delinquent installments of assessments levied against such parcels may result in the delay or default of full or punctual payments of debt service on the Bonds and Bondowners would therefore be adversely affected.

Unpaid Assessments do not constitute a personal indebtedness of the current or subsequent owners of the parcels included in the Assessment District. There is no assurance that any current or subsequent owner

of a parcel of land included in the Assessment District will be able to pay the Assessment Installments or that it will pay such installments even though financially able to do so.

### **Potential Delay in Payment**

Each Bond is payable solely from the monies collected by the Treasurer from the owner of the assessed parcel securing the Bond. Neither the County nor any officer thereof is liable for the payment of the Bonds. The Bonds are not an obligation of the State or any political subdivision of the State, and their full faith and credit is not pledged to the payment thereof. The nature of the obligation for payment of each Bond may result in temporary delays in such payment or require the Bondowner to enforce applicable rights and remedies. Even in normal circumstances, there is a limited probability that a property owner will be delinquent in paying installments of interest and principal. Therefore, any person considering the purchase of these Bonds should be prepared to accept delays in receiving interest and principal installments.

### **Bankruptcy and Foreclosure**

The payment of Assessment Installments and the ability of the Bondowner to foreclose the lien of a delinquent unpaid Assessment Installment could be substantially curtailed by bankruptcy, insolvency, or other laws generally affecting creditors' rights or by the laws of the State relating to judicial foreclosure. In addition, the prosecution of a foreclosure could be delayed due to local court calendars or procedural delays.

The various legal opinions to be delivered concurrently with the delivery of the Bonds (including Bond Counsel's approving legal opinion) will be qualified as to the enforceability of the various legal instruments by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

Although bankruptcy proceedings would not cause the lien of the Assessments to become extinguished, bankruptcy of a property owner could result in a delay in prosecuting superior court foreclosure proceedings. Such a delay would increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds.

The Bondowners may also be limited in its ability to prosecute foreclosure proceedings against parcels in which other federal agencies (such as the Internal Revenue Service or the Drug Enforcement Agency) assert an interest.

### **Parity Taxes and Special Assessments**

The assessments and any penalties thereon will constitute liens against the lots and parcels of land on which they will be annually imposed until they are paid. Such lien is on a parity with all special taxes levied by the County and other agencies and is coequal to and independent of the lien for general property taxes regardless of when they are imposed upon the same property. The assessment has priority over all existing and future private liens and all future fixed special assessment liens imposed on the property. The County, however, has no control over the ability of other entities and districts to issue indebtedness secured by special taxes or assessments payable from all or a portion of the property within the Assessment District. In addition, the landowners within the Assessment District may, without the consent or knowledge of the Assessment District, petition other public agencies to issue public indebtedness secured by special taxes or assessments. Any such special taxes or assessments may have a lien on such property on a parity with the assessment.

The County has not determined whether there are any additional assessment liens or special taxes on land in the Assessment District. The County has no control over the amount of indebtedness that could be

issued by other public agencies in the future, and the liens on the property within the Assessment District could greatly increase, without any corresponding increase in the value of the property within the Assessment District and thereby severely reduce the ratio that exists at the time the Bonds are issued between the value of the property and the debt secured by all taxes and assessments thereon. The imposition of such additional indebtedness could also reduce the willingness and ability of the property owners within the Assessment District to pay the assessments when due.

Moreover, in the event of a delinquency in the payment of the assessment levy, no assurance can be given that the proceeds of any foreclosure sale would be sufficient to pay the delinquent assessments and any other delinquent assessments, special taxes or taxes. See "The Assessment District – Property Values."

### **Property Values**

The value of land within the Assessment District is a critical factor in determining the investment quality of the Bonds. If a property owner defaults in the payment of assessment installments, the Bondowner's only remedy is to commence foreclosure proceedings in an attempt to obtain funds to pay the delinquent assessment. See "Bondowner's Risks – Bankruptcy and Foreclosure."

Reductions in Assessment District property values could occur due to a downturn in the economy, occurrences such as earthquakes, landslides or floods or other events, all of which will adversely impact the value of the security underlying the assessments. Governmental liens may presently exist or may arise in the future with respect to an Assessment Parcel which, unless subordinate to the Assessment, may effectively reduce the realizable value of the parcel for the benefit of the Assessment. Other claims, such as hazardous substance claims, may also affect the realizable value even though such claims may not rise to the status of liens.

Governmental taxes, assessments and charges are a common claim against the value of an Assessment Parcel, but other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value that may be realized to pay the assessment installments is a claim with regard to a hazardous substance. In general, the owners and operators of an Assessment Parcel may be required by law to remedy conditions of the Assessment Parcel relating to released or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as "CERCLA" or "Superfund Act," is the most well known and widely applicable of these laws, but California laws with regard to hazardous substances are also stringent and similar. Under many of these laws the owner or operator of a property is obligated to remedy a hazardous substance condition whether or not the owner or operator has anything to do with creating or handling the hazardous substance. The effect therefore, should any of the Assessment Parcels be affected by a hazardous substance, is to reduce the marketability and value of the parcel by the costs of remedying the condition.

It is also possible that liabilities may arise in the future with respect to any of the Assessment Parcels resulting from the current existence on the Assessment Parcel of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence on the Assessment Parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of an Assessment Parcel that is realized upon delinquency.

### **Values of Assessment Parcels**

Values of Assessment Parcels can be adversely affected by a variety of natural events and conditions. These include, without limitation, geologic conditions such as earthquakes, topographic conditions such as earth movements and floods, and climatic conditions such as droughts. The possibility of the occurrence of some of these conditions and events has been taken into account to a limited extent in the design of the Assessment District Improvements and has been or will be taken into account to a limited extent in the designs of other public improvements which may be approved by the County or other public agencies. Building codes require that some of these conditions be taken into account to a limited extent in the design of private improvements. Design criteria in any of these circumstances are established upon the basis of a variety of considerations and may change from time to time leaving previously designed improvements unaffected by more stringent subsequently established criteria. In general, design criteria, at the time of their establishment, reflect a balance between the present costs of protection and the future costs of lack of protection, based in part upon a present perception of the possibility that the condition will occur and the seriousness of the condition should it occur.

The County expects that one or more of the conditions summarized above may occur from time to time, and, even if design criteria do exist, such conditions may result in damage to property improvements. That damage may entail significant repair or replacement costs, and repair or replacement may never occur. Under any of these circumstances, the value of the Assessment Parcels could depreciate substantially notwithstanding the establishment of design criteria and the Assessments could exceed the values of the Assessment Parcels.

Other events which may affect the value of an Assessment Parcel include changes in the law of application of the law. Such changes may include, without limitation, local growth control initiatives, local utility connection moratoriums, local application of statewide tax and governmental spending limitation measures. Under such circumstances, the Assessments could exceed the values of the Assessment Parcels.

### **Earthquakes and Natural Disasters**

There are several earthquake faults in southern California that potentially could result in damage to homes, roads and property within the Assessment District in the event of an earthquake. Earthquake insurance is available, but property owners may elect not to purchase such insurance. Damage or destruction to property within the Assessment District caused by earthquake or other natural disasters could result in significant reduction in the value of property within the Assessment District with no source of funds for reconstruction.

### **No Acceleration Provision**

The Bonds do not contain a provision allowing for the acceleration of the Bonds in the event of a payment default or other default under the terms of the Bonds or the Indenture.

### **Absence of Market for the Bonds**

No application has been made for a credit rating of the Bonds, and it is not known whether a credit rating could be secured either now or in the future for the Bonds. There can be no assurance that there will ever be a secondary market for purchase or sale of the Bonds, and from time to time there may be no market for them, depending upon prevailing market conditions, the financial condition or market position of firms that may make the secondary market.

## **Proposition 218**

The Assessments are being levied against the parcels in the Assessment District in accordance with Proposition 218. The language of Proposition 218 and its implementing legislation may be construed as providing an initiative power to reduce or repeal the unpaid assessments which are pledged as security for payment of the Bonds. The County believes that the initiative power cannot be used to reduce or repeal the unpaid assessments which are pledged as security for payment of the Bonds or to otherwise interfere with the statutory duty of the Paying Agent or Fiscal Agent with respect to the unpaid assessments which are pledged as security for payment of the Bonds. The interpretation and application of Proposition 218 will ultimately be determined by the courts with respect to a number of the matters discussed above, and it is not possible at this time to predict with certainty the outcome of such determination.

## **LIMITATIONS ON REMEDIES**

The rights of the owners of the Bonds are subject to the limitations on legal remedies against counties in the State, including a limitation on enforcement of judgments against funds needed to serve the public welfare and interest. Additionally, enforceability of the rights and remedies of the owners of the Bonds, and the obligations incurred by the County, may become subject to the federal bankruptcy code and applicable bankruptcy, insolvency, reorganization, moratorium, or similar laws relating to or affecting the enforcement of creditor's rights generally, now or hereafter in effect, equity principles which may limit the specific enforcement under State law of certain remedies, the exercise by the United States of America of the powers delegated to it by the Constitution, the reasonable and necessary exercise, in certain exceptional situations, of the police powers inherent in the sovereignty of the State and its governmental bodies in the interest of serving a significant and legitimate public purpose and the limitations on remedies against cities in the State. Bankruptcy proceedings, or the exercise of powers by the federal or State government, if initiated, could subject the owners of the Bonds to judicial discretion and interpretation of their rights in bankruptcy or otherwise, and consequently may entail risks of delay, limitation, or modification of their rights

## **TAX MATTERS**

### **Opinion of Bond Counsel**

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the County, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Code, and (ii) interest on the Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations. In rendering its opinion, Bond Counsel has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the County and others in connection with the Bonds, and Bond Counsel has assumed compliance by the County and others with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the Bonds from gross income under Section 103 of the Code.

In addition, in the opinion of Bond Counsel to the County, under existing statutes, interest on the Bonds is exempt from personal income taxes imposed by the State of California.

Bond Counsel expresses no opinion regarding any other Federal or state tax consequences with respect to the Bonds. Bond Counsel renders its opinion under existing statutes and court decisions as of the

issue date, and assumes no obligation to update its opinion after the issue date to reflect any future action, fact or circumstance, or change in law or interpretation, or otherwise. Bond Counsel expresses no opinion on the effect of any action hereafter taken or not taken in reliance upon an opinion of other counsel on the exclusion from gross income for Federal income tax purposes of interest on the Bonds, or under state and local tax law.

### **Certain Ongoing Federal Tax Requirements and Covenants**

The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the Bonds in order that interest on the Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to use and expenditure of gross proceeds of the Bonds, yield and other restrictions on investments of gross proceeds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds be rebated to the Federal government. Noncompliance with such requirements may cause interest on the Bonds to become included in gross income for Federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The County has covenanted to comply with certain applicable requirements of the Code to assure the exclusion of interest on the Bonds from gross income under Section 103 of the Code.

### **Certain Collateral Federal Tax Consequences**

The following is a brief discussion of certain collateral Federal income tax matters with respect to the Bonds. It does not purport to address all aspects of Federal taxation that may be relevant to a particular owner of a Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the Federal tax consequences of owning and disposing of the Bonds.

Prospective owners of the Bonds should be aware that the ownership of such obligations may result in collateral Federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for Federal income tax purposes. Interest on the Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

### **Bond Premium**

In general, if an owner acquires a Bond for a purchase price (excluding accrued interest) or otherwise at a tax basis that reflects a premium over the sum of all amounts payable on the Bond after the acquisition date (excluding certain "qualified stated interest" that is unconditionally payable at least annually at prescribed rates), that premium constitutes "bond premium" on that Bond (a "Premium Bond"). In general, under Section 171 of the Code, an owner of a Premium Bond must amortize the bond premium over the remaining term of the Premium Bond, based on the owner's yield over the remaining term of the Premium Bond determined based on constant yield principles (in certain cases involving a Premium Bond callable prior to its stated maturity date, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on such bond). An owner of a Premium Bond must amortize the bond premium by offsetting the qualified stated interest allocable to each interest accrual period under the owner's regular method of accounting against the bond premium allocable to that period. In the case of a tax-exempt Premium Bond, if the bond premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the excess is a nondeductible loss. Under certain circumstances, the owner of a Premium Bond may realize a taxable gain upon disposition of the Premium

Bond even though it is sold or redeemed for an amount less than or equal to the owner's original acquisition cost. Owners of any Premium Bonds should consult their own tax advisors regarding the treatment of bond premium for Federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership, amortization of bond premium on, sale, exchange, or other disposition of Premium Bonds.

### **Legislation**

Legislation affecting municipal bonds is regularly under consideration by the United States Congress. There can be no assurance that legislation enacted or proposed after the date of issuance of the Bonds will not have an adverse effect on the tax-exempt status or market price of the Bonds.

### **LEGAL MATTERS**

Concurrently with the issuance of the Bonds, Hawkins Delafield & Wood LLP, Los Angeles, California, Bond Counsel, will render its approving opinion substantially in the form attached as Appendix D to this Official Statement. Certain legal matters will be passed upon for the County by the County Counsel.

### **LITIGATION**

There is no litigation pending, or to the best knowledge of the County, threatened concerning the validity of the Bonds, the Assessments securing the Bonds, or any action taken by the County in connection with the formation of the Assessment District, the levying of the Assessments therein, the authorization of the Indenture or any other document relating to the Bonds to which the County is or is to become a party, the issuance of the Bonds or the performance by the County of any of its obligations under any of the foregoing.

### **NO RATING**

The County has not applied to any rating agency for the issuance of a rating with respect to the Bonds, nor does it have any intention of applying for any such rating in the future. No such rating should be assumed based upon any other County obligations which have been rated. Prospective purchasers of the Bonds are required to make independent determinations as to the credit quality of the Bonds and their appropriateness as an investment.

### **NO CONTINUING DISCLOSURE**

The Bonds are exempt from the continuing disclosure and other requirements of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended. The County will not undertake to provide any annual report or to make events notices filings with respect to the Bonds or the security provided therefor.

### FORM OF OPINION OF BOND COUNSEL

*Upon issuance of the Bonds, Hawkins Delafield & Wood LLP, Bond Counsel to the County, will render its opinion with respect to the Bonds in substantially in the following form:*

Board of Supervisors of the  
County of Los Angeles  
Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Ladies and Gentlemen:

We have served as bond counsel to the County of Los Angeles, California (the "County") in connection with the issuance of its County Improvement No. 2659-M (Shrode Avenue Sewer Project) 1911 Act Limited Obligation Improvement Bonds, Series 2006 (the "Bonds").

The Bonds are authorized and issued under and pursuant to the provisions of the Improvement Bond Act of 1911, as amended (California Streets and Highways Code Sections 5000 *et seq.*) (the "Bond Act"), and the Indenture, dated as of January 1, 2006 (the "Indenture"), by and among the County, the County Auditor-Controller, as fiscal agent, and the County Treasurer and Tax Collector (the "Treasurer"), as paying agent, to finance the design and construction of sanitary sewers and related work (the "Improvements") located within the unincorporated area of the County known as South Monrovia Island in the vicinity of the Cities of Duarte, Irwindale and Monrovia (the "Assessment District"). Construction of the Improvements, the levy and collection of the assessments, and the legal proceedings of the County relative thereto are undertaken pursuant to the Municipal Improvement Act of 1913, as amended (California Streets and Highways Code Sections 10000 *et seq.*) (the "Assessment Act"). The Bonds are secured by, and represent, unpaid benefit assessments (the "Assessments") levied upon real property within the Assessment District.

The Bonds are dated, mature on the date, bear interest at the rate per annum and are issued in the denominations, all as set forth in the Indenture. The Bonds are issued in fully registered form. The Bonds are subject to redemption prior to their maturity as set forth in the Indenture.

We are of the opinion that:

1. The Indenture has been duly adopted by the County and is valid and binding upon the County and is enforceable in accordance with its terms.
2. Each Bond is issued upon and secured by the unpaid Assessment on the parcels of property in the Assessment District described in said Bond and said unpaid Assessment is an enforceable obligation and valid lien against such parcels of property.

3. Under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, interest on the Bonds is excluded from gross income for Federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Interest on the Bonds is not treated as a preference item in calculating the alternative minimum tax imposed on individuals and corporations under the Code; such interest, however, is included in the adjusted current earnings of certain corporations for purposes of calculating the alternative minimum tax imposed on such corporations. In rendering the opinion in this paragraph 3, we have relied upon and assumed (i) the material accuracy of the representations, statements of intention and reasonable expectations, and certifications of fact, contained in the Tax Certificate delivered on the date hereof by the County with respect to the use of proceeds of the Bonds and the investment of certain funds, and other matters affecting the non-inclusion of interest on the Bonds in gross income for Federal income tax purposes under Section 103 of the Code, and (ii) compliance by the County with procedures and covenants set forth in the Tax Certificate and with the tax covenants set forth in the Indenture as to such matters. Under the Code, failure to comply with such procedures and covenants may cause the interest on the Bonds to be included in gross income for Federal income tax purposes, retroactive to the date of issuance of the Bonds, irrespective of the date on which such noncompliance occurs or is ascertained.

4. Under existing statutes, interest on the Bonds is exempt from State of California personal income taxes.

Except as stated in paragraphs 3 and 4 above, we express no opinion as to any Federal, State or local tax consequences arising with respect to the Bonds or the ownership or disposition thereof. Furthermore, we express no opinion as to the effect of any action hereafter taken or not taken in reliance upon an opinion of counsel other than ourselves on the exclusion from gross income for Federal income tax purposes of interest on the Bonds, or under State and local tax law.

We undertake no responsibility for the accuracy, completeness or fairness of any official statement or other offering materials relating to the Bonds and express herein no opinion relating thereto.

This opinion is issued as of the date hereof, and we assume no obligation to update, revise or supplement this opinion to reflect any action hereafter taken or not taken, or any facts or circumstances, or any changes in law or in interpretations thereof, that may hereafter arise or occur, or for any other reason.

The foregoing opinions are qualified to the extent that the enforceability of the Bonds, the Indenture and the Tax Certificate may be limited by bankruptcy, moratorium, insolvency or other laws affecting creditors' rights or remedies and are subject to general principles of equity (regardless of whether such enforceability is considered in equity or at law).

Very truly yours,
